## **The Leader's Digest**

**by Jim Clemmer**

Leadership is a popular topic today because it's so central to personal, team, and organization success. This has led to a confusing multitude of leadership grids, charts, formulas, jargon, fads, charismatic stories, and buzzwords.

Drawing on decades of research, extensive experience coaching and developing thousands of managers, and previous bestselling books, Jim Clemmer distills today's leadership information overload to its core essentials. The result is a series of insights and bite-sized briefings on the timeless principles of leading people, The Leader's Digest.
